## MEMBERS GUIDE 2010

Kumeu Squash or Badminton Club members or Social Pre-paid members may use our facilities. Senior Club members' keys provide half-price court hire, so that 2 Senior members can use a court **free**, or 1 Senior member and a guest can play for half-price. Visitors are welcome at club sessions, (a visitor's fee is usually charged). Bar and lounge facilities (including a big-screen TV) are available for events, and may be hired for private functions.

Players must wear non-marking shoes, and no food or drink is permitted on the courts. A responsible adult must supervise children using the premises at all times.

## Squash and Badminton Club membership

Senior Members may purchase a key that provides half-price court hire (see below). You also get weekly club play, social events, and the opportunity to compete within and outside the club. Members are encouraged to participate in club activities, and have an obligation to voluntarily serve the club in some way for at least 8 hours each year. Senior Badminton club sessions usually run from Feb to Nov, while Junior Badminton usually runs from March until the end of term three.

1. A **senior member** is a club member who is at least 17 years old on the first of January.
2. A **junior member** is a club member who is under 17 years old on the first of January.
3. An **intermediate member** is a junior member who has been invited by their senior sporting committee and junior coach to play at senior club or in interclub matches, and who has paid any additional fees required.
4. Members under 19 on 1<sup>st</sup> January who attend full-time education at a school or tertiary institution may be charged the Junior Base Fee, on written request to and at the discretion of the KRC management committee.
5. A Family Membership Discount of 10% off the Senior Club Base Fee(s) only is available when a family joins the club. A Family is one adult and any additional related members living at the same address.
6. Honorary Life Members and the previous year's Singles Open Grade Champions do not have to pay the KRC Base fee, but must pay any other fees and subscriptions to actively participate in the club.
7. Subscriptions are not refundable.
8. Members who wish to join the club of more than one sporting code must pay the highest subscription, plus affiliation fees for each additional code.

## Social Prepaid membership

This provides Casual court hire via your own club key (see below). Your first subscription gives you a club key if you don't already have one, and includes \$60 court hire. For further court hire you must pay in advance, with a minimum purchase of \$60 each time. Membership must be renewed annually by paying the base fee. You must be at least 17 years old on the first of January. You may participate in weekly club play while your membership is current, but a visitor's fee may be charged to cover costs. Social membership excludes the right to enter competitions and any obligation to participate in other club activities.

## Social Non-Player membership

This only provides access to the club facilities excluding the courts, and does not include key purchase.

## Club Keys – Used to enter the club and turn on court lights

**You may not let anyone else use your key. If you do, disciplinary action may be taken, including but not limited to deactivation of the key.**

You can turn on the lights with 2 keys or 1 key and the 'Visitor' function. Costs are charged to each key account.

**Senior membership keys** waive half of the court hire, and will be activated when your subscription is current with no overdue club debts. Accounts in debit will be invoiced periodically. Senior Badminton members' keys only operate badminton court lights.

**Social Prepaid membership keys** will be activated when the account is in credit and the club's volunteer administrators have manually processed the advance payments. Please note that this may take over a week, as we do not have paid staff. If this will cause inconvenience, we suggest that you pay for further court hire while you still have sufficient credit in your account to cover a week's court use.

**Social Non-player's keys** will allow access to the club but will not operate the court lights.

Keys operate between 6a.m. & 12a.m. The benefits and restrictions of each key may be changed or revoked at any time at the discretion of the KRC management committee. If you require a replacement key, it is your responsibility to purchase one.
